CALL FOR PAPERS
5th QATEM Workshop
Quantitative Approaches in Tourism Economics and Management**

25 August 2016
Potchefstroom
South Africa

QATEM 2016 is the fifth event under a workshop series on Quantitative Approaches in Tourism Economics and Management. The workshop is co-organized by North-West University and University of Perpignan (CRESEM, EA 7397) and will be held in Potchefstroom (South Africa) on Thursday 25 August 2016. By focusing on the theme of quantitative approaches in tourism economics and management, QATEM 2016 will provide an opportunity for gathering, analyzing, and debating state-of-the-art academic research in this recent field of economic and management sciences. The Scientific committee would welcome submissions on both parametric and non-parametric approaches. Theoretical contributions are also encouraged.
